Dear Ms. Hendrickson,

We have received your request for an extension of the comment period for the U.S. Fish and Wildlife Service's (Service) draft revised Mitigation Policy. We have reviewed your request and determined it appropriate to extend the comment period to June 11, 2016. All responses submitted by that date will be fully considered in preparing our final policy.

The Service appreciates your interest in fully reviewing and providing comments on the revised Mitigation Policy. If you have any questions or require any further information, please contact Jason Miller of my staff at (703) 358-1756.

Sincerely,
