

Join us for the 55th Annual Rambouillet Sire Test Field

When: The 27th of March, 2017. We will Start viewing at 10:30am. Lunch will be provided.

Where: University of Wyoming Laramie Research and Extension Center, Sheep Unit

We look forward to seeing you at the 2017 Field Day. What to expect: Viewing of the rams on test, seminar to talk about this year's test results and changes for next year's test, and feed changes. Dr. Dave Everetson will talk about the Veterinary Feed Directive (VFD) and how it will affect our test. We will also be having our annual silent auction of the top 30% of the rams that made it into the Certified Ram program. Health and Brand inspections will be available.
